Increase in Pay for CARBOHYDRATE

REFERENCE: MGBA-7699

1. Authorization is granted to increase CARBOHYDRATE's monthly salary payment by 100 DM West effective 1 January 1951, raising the total allocation for the period from 1 January to 30 June 1951 to 3900 DM West. This amount may be included in the monthly cash quota of agent's salary, raising it to a total of 250 DM West.

2. A review of CARBOHYDRATE's reports indicates that most of them have been disseminated with high evaluations. We agree that the above necessary increase is justified in terms of the agent's production and loyalty to us.
