EUR DIVISION PROJECT ROUTING SHEET

CRYPT CATOMIC

DATE	RECOMMENDATIONS/ACTION
	BRANCH CHIEF'S OFFICE This project represents an expanding and productive operational program against the important Soviet target in the FRG. I anticipate possible cost overrun, but this appears fully justified. C/E/a
	E/BR - E/SS
27 Aug 71	E/R There has been a bit of a P.I. hyproduct (mostly on Soviet purchases from West Germany); but it hasn't been on a level where we could prove anything with it.
	E/FI/CI
	E/COPS Admittedly a bundle of cash. But, the mix is encouraging. I would quibble with #s 10, 23, 27 28 + Cutophat 14, but not seriously for the savings would not be significant. CATOMIC is a soundly renovated cachock.
