MEMORANDUM FOR: [redacted]

SUBJECT : Security Violation

1. The Director of Central Intelligence, after reviewing the circumstances submitted in subject case, has determined the following facts:

a. A breach of security occurred in that two persons were placed in positions requiring the handling of classified material before being completely cleared.

b. The responsibility for the assignment of the two uncleared persons without expressed official authority rested with you.

2. Although there is no evidence of deleterious motives on your part, such action was unwarranted and could result in serious consequences.

3. This letter will be made a part of your official file.
