BRYANT COLLEGE
SMITHFIELD • RHODE ISLAND 02917

March 28, 1977

The Honorable Stansfield Turner
Admiral, U. S. Navy
The Director of Central Intelligence
Washington, DC 20505

Dear Admiral Turner:

President O'Hara shared with me his pleasure at your acceptance of his invitation to receive the College's highest honors at the 114th formal Commencement Exercises on Saturday, May 21.

At a recent meeting of the Commencement Committee, it was the unanimous wish of faculty, officers, and students that you be invited to deliver an address of perhaps ten or fifteen minutes' duration.

I think you ought to know that a five-minute "Alumni Charge" will be delivered by Charles Wielgus, Senior Vice President of Dun & Bradstreet and a Bryant graduate, Class of 1947. Hence, your address could be a general discussion on some topic in connection with your important new responsibilities.

Since our College publications, the Alumni Bulletins, the campus newspapers and Commencement programs are being readied for the printer, it would be nice to know as soon as possible if you would honor us with such an address.

I look forward to hearing from you at your earliest convenience. Be assured that everything possible will be done to make your visit to this campus comfortable and memorable.

Cordially,

Gertrude Meth Hochberg

Gertrude Meth Hochberg
Vice President for Public Affairs

GMH/mgm

P.S. I am enclosing last year's Commencement Program noting the Commencement Address given by Dr. Arthur Frank Burns, Chairman of the Board of Governors, Federal Reserve System.
