MEMORANDUM FOR THE RECORD:

REFERENCE: Memorandum for the Record of Meeting on 15 August 1958

25X1

Recently, [redacted] of PIC-NPA discussed procedures outlined in paragraph 5 of reference and the following changes were agreed upon:

1. OCR would initially receive and control all of the special procurement. After determining the requirements of the Agency, the document(s) will be transmitted to PIC-NPA for duplication and dissemination. Should PIC-NPA be aware of additional dissemination requirements, these may be added to the OCR dissemination pattern. This will afford PIC-NPA the opportunity of reproducing that which is required for its immediate use.

2. [redacted] pointed out that the reproduction facilities at PIC-NPA were not designed to handle reproduction which is rightfully the responsibility of Printing Service Division, OL. It, however, was agreed that PIC-NPA would handle this reproduction load on a trial basis until the workload was sufficient to warrant other arrangements.
