A video message from Amir Sayfullah (may Allah have mercy on him) entitled:

Praise for the book Millat Ibrahim: 'Abraham's Creed'

In the Name of Allah, the Most Kind, the Most Merciful.

All praise be to Allah, the Lord of the Worlds, and may the peace and blessings of Allah be upon our Prophet Muhammad, his family and his Companions in their entirety.

To proceed:

Dear brothers and sisters: Peace be upon you, and the Mercy of Allah, and His Blessings.

I want to introduce and recommend that you read the translated book of Sheikh Abu Muhammad al-Maqdisi: "*Abraham's Creed and the call of the Prophets and Messengers*"

This book was written more than 25 years ago, and its main benefit will be for those readers who do not speak the Arabic language. Originally this book was made for people who have at least some knowledge about Islam, and for those who involved in calling to Islam.

But all of our brothers and sisters can get some useful points for themselves in this valuable work. I will also try, Allah willing, not just to produce translations of this book, but also I will make a series of lectures and video materials with answers and comments about this book.

I would like to receive any questions, comments, or suggestions about this book, through its translation, meaning and opinions about this book.

Allah willing, I hope this is not the last translation of this kind; that Allah the Almighty will give us the opportunity to translate other books by our Islamic scholars; scholars, who by their speech and actions prove their faith towards the call to Tawhid (Monotheism), prove their faith to the call for truth.

And even though they are chased and harassed by followers of the Taghut (Idols), they still continue to the mission of the Prophets (peace be upon them) and bring the light of the truth to the people, and I hope Allah will bless them, and Allah will save them from the angry followers of the Taghut.

I hope, almighty Allah willing, that this book will be useful for all our brothers and sisters who can read the Russian language. Also I call all our brothers who know the Arabic language, seekers of knowledge, to read this book in its original Arabic, and also try to translate all other works of Abu Muhammad, and other sheikhs of Tawhid, who nowadays call for truth. And praise be to Allah, there are not just a few of them.

The Russian-speaking people and other people who read in Russian, need at least a short translation of these books to be completed. May Allah bless those people who helped us with translating and producing this book.

And may Allah bless our respected sheikh, Abu Muhammad al-Maqdisi, and save him from the anger of the disbelievers, and make him strong on this path, and reward him with the victory of Allah's religion.

"Exalted is your Lord, the Lord of might, above what they describe, And peace upon the Messengers. And praise be to Allah , Lord of the worlds" [37: 180 182]
