SUBJECT: Senator Jackson's Request for Briefing on Mexican Oil

Grenville Garside, Staff Director, Senate Energy and Natural Resources Committee, called today to request a briefing for Senator Jackson on the Mexican oil production and reserves situation for Tuesday, 5 December, in Jackson's office. Present will be: the Senator, Mr. Garside, and Betsy Moler, Staff Counsel of the Committee. Ms. Moler then telephoned to request us to bring, if we could, three documents recently published by the Office of Economic Research:

1) The Weekly Economic Review, 26 Oct 78, dealing with Mexico's manufactured exports
2) The Weekly Economic Review, 23 Nov 78, dealing with the Mexican impact of rapid population growth
3) ER-78-10626, Mexican Oil and Gas Reserves, Production and Restraints

It is satisfactory to Ms. Moler for us to bring these documents with us on 5 December. She has a Top Secret clearance from the Department of State.
