TAB A

1962 PLAUDITS

1. From Secretary of Agriculture to DCI, 23 January 1962, expressing appreciation for Agency support to that Department in the field of Sino-Soviet agricultural intelligence. He felt that this information contributed vitally to the policy decisions made by the USDA officials responsible for US and foreign agricultural trade and aid activities.

25X1

2. From AD/SI to AD/RR, 30 January 1962, commenting on the continued high calibre of support rendered by the Cartography Division. He cited specific assignments completed at the request of OSI and noted that one of these maps will greatly aid collection planning and guidance at the Director and Presidential level.

4. From Director of Intelligence and Research, Department of State to Chief, Map Library, 9 February 1962, thanking him and the Chief, Cartography Division for their contribution to the production of the maps for the "Strategic Concept for South Vietnam." He pointed out that the timeliness and impact of the report was due in large measure to the imagination and skill with which they overcame difficulties of a short deadline and pitifully inadequate facilities. (Unclassified)

[redacted]

7. From Director, Office of Oil and Gas, Department of Interior to AD/RR, 15 March 1962, gratefully acknowledging the expert assistance rendered to the National Petroleum Council Committee by ORR in the preparation of their report. He remarked that the data supplied to the Working Group enhanced the value of the National Petroleum Council Committee report to the US Government. (Unclassified)
