MEMORANDUM FOR THE RECORD

SUBJECT: SSCI's Scheduled July Charter Legislation Hearings

On 29 June 1978 I called Pat Norton, Senate Select Committee on Intelligence staff, to check on the status of the SSCI's scheduled July charter legislation hearings. Pat said the following dates and witnesses have been scheduled for July:

11 July -- Representatives of the American Friends Service Committee, Women's Strike for Peace, and the Chicago Political Surveillance, Litigation and Education Project;

18 July -- ACLU representatives and Larry Silverman, former U.S. Attorney and Ambassador to Yugoslavia;

20 July -- Academics will testify with regard to "Intelligence Activities on Campus" - Derek Bok (President Havard University Professors), - Richard Abrams (President, University of California, Drafted Guidelines on Relationship of U.C. to Intelligence Community) - Morton Baratz (general Secretary of the Association of American University Professors);

27 July -- former Secretary of State Henry Kissinger.

Mr. Norton also mentioned that he had contacted Don Massey, OLC, to request the names of academics who have worked with CIA and who would be willing to testify. Mr. Norton said that his request was in

regard to the fact that Admiral Turner had mentioned in his debate with Morton Halperin in New Haven that academics do cooperate without naming anyone in particular. I asked Mr. Norton specifically if he wanted names of campuses or specific individuals. He indicated that he was interested in specific names. I said we'd get back to him.
