Committee on Foreign Relations
United States Senate

Dear Mr. Chairman:

Thank you for your letter of 3 October requesting a review of a 1956 executive session of your Committee.

We have reviewed the testimony contained therein by former Director of Central Intelligence, Allen W. Dulles. We have found only one brief passage on page 68, which should be deleted to protect intelligence sources and methods. Otherwise, we have no objection to its publication. We appreciate your thoughtfulness in providing us with an opportunity for this review.

Sincerely,

SIGNED

Frederick P. Hitz
