In early February 1955, 25X1 about one third of all Buergermeisters in Bezirk Magdeburg were to be released. In general, Buergermeisters of smaller communities suspected of not being politically reliable will be affected by this measure. Buergermeisters of large communities will take over the administration of communities in which the Buergermeister has been discharged. 25X1

Comment. The present report agrees in part with previous information, according to which Buergermeisters not considered politically reliable will be replaced by faithful SED members. The measure has apparently been motivated by the necessity of economizing. 25X1
