MEMO [redacted]

MEMORANDUM FOR: [redacted] 25X1A9a

SUBJECT: Guided Missile Installation Studies

REFERENCE: Memorandum No. 3202, 19 July 1960

OSI-C-RA/60-5, 27 June 60

Thank you for the OSI Guided Missiles Research Guide. It is a most useful compilation, the draft of which I carefully reviewed while in Washington. I would appreciate your sending me three more copies soonest [redacted] 25X1X7

FI has requested that OSI send out a notification to all recipients that this report should be NOFORN/continued control. OSI will notify us if this is done and whether this report can be passed [redacted] 25X1A9a if it is releasable [redacted] SAVRR notified 22 Aug 60.

25X1C

25X1X7

25X1A9a [redacted] said the above research aid had been passed [redacted] at the time of publication. FI notified OSI by phone (memo) that they will not have to issue a notification to the recipients that this report should be controlled NOFORN/CC since the data had been released in 1958 in our MP-223. over
