MEMORANDUM FOR: Mr. Danny Coulson
Chief, Legal Liaison and Legislative Affairs Unit
Legal Counsel Division, FBI

FROM : [redacted]
Assistant Legislative Counsel, CIA

25X1

1. At a recent briefing of the Senate Select Committee on Intelligence, Senator Stevenson asked Deputy Director Frank Carlucci about Executive Branch activities to counter international terrorism. Mr. Carlucci explained CIA programs but was unable to satisfy the Senator regarding what activities are undertaken by other Government departments and agencies. He offered, however, to submit for the record a report on Executive Branch activities to include inputs from CIA, FBI and Department of Defense.

2. Will you please have prepared a report setting forth Bureau activities and programs to combat international terrorism? I would like to have such a report to submit to the Committee by 21 April. If you see a better way to handle this, as by direct contact between the Bureau and the Select Committee staff, please let me know. Thank you.
