MEMORANDUM FOR THE RECORD

SUBJECT: Call from Charles W. Snodgrass, House Appropriations Committee Staff

Late in the afternoon of Wednesday, 4 October 1978, Charles Snodgrass, House Appropriations Committee staff, called and said he understood that the DCI was briefing members of the Defense Subcommittee of the House Appropriations Committee. He asked if I would identify who was being briefed. After looking at the OLC calendar for Wednesday, 4 October, I said that Representatives Robert L. F. Sikes (D., Fla.), Jack F. Kemp (R., N.Y.) and Bill Chappell (D., Fla.) were scheduled to be briefed on 4 October, and that Representative Jack Edwards (R., Ala.) was scheduled to be briefed on 5 October. Snodgrass then asked if others, such as Representatives Joseph P. Addabbo (D., N.Y.) and Robert N. Giaimo (D., Conn.), were to be briefed. I told him there were no such briefings on the OLC calendar but that I could not speak for the Director's calendar. He said there was no objection to such briefings. He just wanted to know who was being briefed.
