ENCLOSURE (E) - List of the Directors of the Krasny Luch Rayon (Branch), from its activation in 1929 through 1942. All these men were members of the Communist Party: 50X1

1. 1929-30: (fnu) Bondarenko - died of illness.

2. 1930-33: (fnu) Bazilinski - an engineer. In about 1937 was arrested and executed as a Trotskyite.

3. 1933-36: (fnu) Chaadeiev - partially trained as an engineer. Fell from favor and was sent to Central Asia in a minor capacity.

4. 1936-38: (fnu) Grigoriev - purged from the Communist Party in 1938, as he had been in the White Cossack Army and had kept it a secret. Subsequently he was given a small job in Gorlovka with DONENERGO.
50X1 believes he probably fell into Soviet hands.

5. 1938-39: (fnu) Dneprov - had some technical training; extremely stupid. Transferred to a minor position.

6. 1939-40: (fnu) Agaiev - had administrative training, very bright, super-efficient, hard to work for. Promoted to Assistant Director of DONENERGO in Gorlovka.

7. 1940-42: (fnu) Yudin - efficient and in good standing with his superiors. Not a bad man personally.
