Approved For Release 2005/11/21 : CIA-RDP78B04770A001500060081-2

5 November 1962 :

As recently discussed with [redacted] all contact with the [redacted] on lens design will be paid for under an existing Air Force Office of Scientific Research contract wherein the AFOSR representative has agreed to allow contact with the [redacted] under their existing contract.

STAT STAT STAT STAT

[redacted] was advised that [redacted] both hold OIA "Secret" clearances; that both men can be advised that while their "time" will be charged to the AFOSR contract, the work they do for [redacted] will be for OIA and should be treated as classified due to the fact it is being done for OIA; that they should contact [redacted] on the TP&DS sterile telephone and should use the [redacted] post office box for a mail address, double wrapping all items with the second envelope addressed to [redacted]

STAT STAT STAT STAT STAT STAT STAT

It was further agreed that due to the above situation, the TP&DS request for pre-contract contact with the AFOSR submitted with this request would be cancelled.
