MEMORANDUM FOR: Deputy Director for Intelligence

FROM: Director of Central Intelligence

SUBJECT: Evaluation of Directorate of Intelligence Coverage of the Falkland Islands Crisis

1. The Directorate's evaluation of the intelligence coverage of the Falkland Islands crisis is well done. I would like to compliment those responsible.

2. What is the action on recommendations set out at the end of the summary? What are the DDO and Intelligence Community roles?

3. I'd like to see an elaboration of the recommendation for a comprehensive training program for military analysis to furnish them with all the analytical tools at their disposal, particularly in terms of what analytical tools are referred to.
