Executive Vice President
Petroleum Equipment Suppliers Association
9225 Katy Freeway, Suite 401
Houston, Texas 77024

Dear [redacted] STAT

Thank you for writing to me of your concern about the impact of US oil and gas equipment sanctions. This issue is of great importance to US policy and I want to make certain that the President has access to the best information and judgment available.

There is no doubt that the capability, as well as the willingness, of other Western countries to supply equipment and technology withheld by the United States has a great impact on the effectiveness of our sanctions. [redacted] STAT [redacted] I very much appreciate STAT your sending us the listing of foreign petroleum equipment producers.

Sincerely yours,

William J. Casey
