169	Historical Intelligence Collection
Item no.	Title or Individual

A collection of books in many languages on espionage, tradecraft, sensational "spy" stories, memoirs of persons having worked in intelligence. The collection goes back in U.S. history to its very beginning.

References to and from: Pforzheimer, Walter, curator. "Spy" collection. Espionage collection. CIA Library. HIC.

Pforzheimer, Walter

In addition to being Curator of the Historical Intelligence Collection (cf. 169), he has always concerned himself with Library matters, with particular emphasis on acquisitions and cataloging.

References to and from: Historical Intelligence Collection, CIA Library (Acquisitions & Cataloging). Library Consultants Report.

Title: Chronology of procedural changes in Intellofax system and IPI

Source/author: 25X1A9a [redacted]

CBHS no.: **Date of item:** January, 1968 **Evaluation as historical source:** A B C D
(consider only principal subject indexed)

Contents: Sub-title typed on CBHS copy: Historical highlights of Intellofax System and IPI. Written in telegraphic style, important changes in methods of indexing used by the CIA Library and subsequently other OCR Divisions, are listed by year, month and specific date where known. The terminology used is strictly technical and might cause difficulty in interpretation to the average non-library layman not versed in indexing and document usage in the intelligence community. One of the intended uses of this compilation may well be that of a guide to track down original source documents in the various OCR chronological files.
