MEMORANDUM FOR: See Distribution

SUBJECT : FY 1980 Intelligence Authorization Bill/ Proposed Legislative Program for the First Session of the 96th Congress

1. Enclosed is a draft FY 1980 Intelligence Authorization bill which includes several titles designed to implement the DCI's legislative program. You will note that two key items which had been listed as part of the CIA program have been broadened to have Community-wide applicability.

2. It is essential that you contact us with your views and recommendations on the draft bill quickly, and in any case no later than 20 December. Our authorization package must be forwarded to OMB this month in order for it to be presented to the Congress concurrently with the President's budget.

3. The draft authorization bill is also being made available to NFIP program managers by the Intelligence Community staff.
