MEMORANDUM FOR: Assistant to the President for National Security Affairs
Assistant to the President for Domestic Affairs and Policy
Assistant to the President for Congressional Liaison

SUBJECT: 1979 Legislative Agenda

REFERENCE: Memorandum from Addressees, dated 30 October 1978, Same Subject

1. Reference memorandum requests that I submit the 1979 Legislative Agenda for the DCI to OMB by 10 November 1978. Pursuant to OMB Circular A-19 and Jim McIntyre's memorandum of 18 August 1978, requesting that the legislative agenda accompany the budget submission, I will be transmitting the 1979 Agenda with the Consolidated NFIP budget on or before 15 November 1978. I believe this is important so that the agenda reflects not only the legislative concerns of the CIA, but those of other entities of the Intelligence Community. The appropriate vehicle for such a submission is the Consolidated NFIP budget. I have already requested Community components to react to a proposed 1979 Agenda and to provide any additional proposals. My Legislative Counsel and Resource Management Staff are finalizing this document, based on inputs from Community components.

2. I look forward to discussing this proposed agenda among us.
