This revised revocable permit grants the CIA the use of an additional three acres of land at the Fairbank Highway Research Station for construction of a garage building on CIA property, with an adjoining parking area on our property. The area referred to as Parcel "A" (Revised) in our former letter of February 9, 1965, increases the overall acreage under permit from 19.75 acres to 22.75 acres.

This use permit is granted to CIA subject to the following terms and conditions:

1. The land defined as Parcel "A" shall be used for a vehicle parking area.

2. CIA shall bear all responsibility for damages to persons or property arising from such use of the land.

3. The Federal Highway Administration reserves the right to terminate this agreement on a 30-day notice, at which time CIA will remove at the discretion of, and at no cost to the Federal Highway Administration, all buildings and appurtenances existing on Parcel "A" at the time of this permit or installed or erected subsequent to the granting of this permit.

4. The use permit granted on February 9, 1965, relative to Parcel "A" is hereby superseded.

Enclosed are copies of Plats with Metes and Bounds description pertaining to this use permit.

Please indicate your acceptance of this agreement and your assent to the terms and conditions herein contained by signing in the space provided
