Dear Mr. Manning:

This is in response to your letter of June 7, 1974 to Mr. Colby regarding funding possibilities for your proposed publication, World Trade Center News.

I regret to advise that such funding activities are outside the charter of this Agency and we are therefore unable to give any consideration to your suggestion. Should your publication venture become a reality I am sure it will be of interest to those members of our organization concerned with information on international trade matters. If an occasion for use of your services should arise in the future, we would like to feel free to call upon you for assistance.

Meanwhile, the best of luck in your publication efforts.

Sincerely,

Angus MacLean Thuermer
Assistant to the Director
