Monitoring Schedule for Cyprus

1. Enclosed is a revised tentative coverage list for operations on Cyprus, made up on the basis of agreements with the BBC and of latest program information available. Indicated priorities and categories are subject to revision, particularly in the case of broadcasts not covered at present.

2. It will be observed that this schedule considerably augments previous coverage requirements, and probably cannot be met by the staff of linguists presently planned for the new Mediterranean Bureau. It is desired that coverage be assumed upon activation in the following general sequence:

a. Coverage for which Cairo is at that date responsible.

b. Priority 1 coverage not maintained by the BBC.

c. Priority 2 coverage not maintained by the BBC.

d. Coverage transferred from Caversham.

3. A re-estimate of staff and communications requirements will be submitted after execution of steps a. and b.

4. The most recent BBC coverage list is enclosed as reference.
