Dear Admiral Turner:

The House of Representatives, in adopting H. Res. 658 creating the Permanent Select Committee on Intelligence, required the Committee to provide that an annual report be submitted to it by December 31 of each year beginning on December 31, 1978, reviewing the intelligence and intelligence-related activities of all the elements of the intelligence community as well as the intelligence and intelligence-related activities of foreign countries directed at the United States or its interest.

Accordingly, I am requesting that you prepare a report dealing with those aspects of intelligence and intelligence-related activities with which you are cognizant as the Director of Central Intelligence.

This report should be submitted in both classified and unclassified versions.

I would appreciate it if you would appoint an action officer to liaise with the Committee in producing this report. He or she should contact Mr. Thomas K. Latimer, Staff Director of the Committee at 225-4121.

With every good wish, I am,
