Project CADUCITY - Amendment (Estimated Pay)

1. Permission is requested to pay subject the East Mark equivalent of 100 DM West monthly in cash, effective 1 March 1951. In addition, 300 DM West per month will be credited to his account in the West.

2. CADUCITY has complained to us that, despite his relatively high government pay, he is unable to make both ends meet. He is loath to carry supplies like coffee and cigarettes on his person and would prefer to be placed in a position whereby he can purchase these extras out of his own pocket in a HO store. Since the payment of a moderate amount of East Mark is unlikely to weaken our control over the agent or to create an additional security hazard, we think that his request merits favorable consideration.

This covered by FDO approval. The total monthly payment not changed, merely manner of payment.
