Traces on el-BANDAK

Ref: OIRA 31113, 6 June 1962

1. Hans RECHENBERG [redacted] recently received a letter from:

Yusif * el-BANDAK

enclosing KUBANNI's calling card which recommended el-BANDAK to RECHENBERG. In the letter which was dated 9 October 1962 and mailed in Bonn el-BANDAK said that his purpose in visiting Germany was to "study German conditions and promote German-Arab relations." He asked RECHENBERG to let him know if a trip to Munich would be worthwhile. El-BANDAK was going to Hamburg where he said he could be reached at Johnsallee 18 and after two days proceeding to Frankfurt. He expected to return to Rome on/about 19 October. A check of the Hamburg address and telephone books reveals that the residents of Johnsallee 18 are a secretary, Else KNOP and the Pommerscher Landmannschaft.

2. Traces are requested on Yusif el-BANDAK. Munich files contain no traces on el-BANDAK, Else KNOP or the Pommerscher Landmannschaft.
