MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: James N. Glerum
Director of Personnel

SUBJECT: Meeting with PFIAB Committee

1. Pursuant to his request I met with Admiral Moorer's PFIAB Committee on Organization, Management and Personnel on 9 March 1982. In addition to Admiral Moorer, Messrs. Six, O'Donnell and Rodgers were present.

2. The initial portion of the meeting was devoted to discussion of the attached handout requested by the PFIAB Staff. I then responded to a wide range of related questions which provided opportunity to describe our recruitment systems and speak to recruitment problems. The latter included:

a. Attracting (and retaining) employees in certain high demand, high price specialities.

b. Generating a sufficient number of qualified CT Program candidates.

c. Clerical recruitment.

The strongest reaction I received was to a comment that identities legislation and FOIA relief would be of considerable assistance to our recruitment of CT's. They were particularly seized with the FOIA issue and indicated they would talk to the DCI about how they might help.

3. Not surprisingly, the Committee members were highly interested, extremely supportive of the Agency and thus a pleasure to talk to. (I also got the impression that they preferred the more informal approach to the preceding DIA presentation which involved five or six briefers and a heavy emphasis on graphic aids.)
