MEMORANDUM FOR THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Junior Officers Conference

1. The spring 81 conference sponsored by DIA to acquaint Department of Defense junior intelligence officers with the entities, activities, and perspectives of the U.S. intelligence community was a highly successful endeavor. The arrangements which you made in supporting the conference contributed significantly to its meeting our desired objectives and were most beneficial in expanding the conferees' knowledge on the relationships and interface of community components. I feel strongly that we must continue efforts of this nature to assure that we succeed in grooming our junior intelligence officers to meet the leadership challenges of the future.

2. Accordingly, DIA is planning to host a Junior Officers Conference in Washington, D.C. during May 1982 for officers personally selected by their Service intelligence chiefs and the U&S Command J2s. We again plan to organize the conference around a week-long series of seminars, briefings, and visits (enclosure 1). It is our intent to provide the conferees an opportunity for dialogue with leaders of the community and meet decisionmakers who use intelligence products.

3. My staff has had preliminary discussions with Ms. Elisabeth Carroll of your Office of Training and Education regarding a visit by the conferees to CIA on Tuesday, 4 May 1982, from 0800 to 1130. As presently planned, the officers will be afforded an insight of CIA and its relationships and interface with the intelligence community and the other branches of the government. If your busy schedule will allow, some personal comments to the conferees would be extremely beneficial. We remain particularly grateful for your participation in the 1981 conference which was a highlight of the conferees' week-long activities.
