[redacted]

2. [redacted] in Czechoslovakia [redacted] from Kranice westward toward Prague via Hradec Kralove [redacted] a hard surfaced all weather road [#924] which is considered to be a first class highway. This road is over two lanes wide and is macadam surfaced. The road has a good solid base and runs through hilly terrain. The curves are extremely shallow [redacted]. The road was designed for heavy usage and is crowned for easy drainage. It is continuously inspected and maintained by assigned highway crews. A shoulder [redacted] runs along both sides of the road which is used for emergency parking. 25X1 25X1 25X1 25X1 25X1

3. [redacted] there was not much civilian traffic except for heavy Skoda military trucks which were tarpaulin covered. [redacted] not see any military installations or air fields, just farms and wooded areas. 25X1

4. Two concrete-steel highway bridges are located in Olomouc. Both bridges are in good condition and are able to absorb heavy usage. The bridges are over two lanes wide. Military guards are posted at each end of the bridges. Another concrete steel bridge is located approximately one kilometer east northeast of Balaje. This bridge is also in the same condition as the bridges in Olomouc and has guards posted at either end. The bridge crosses the Blata River which flows north and south.
