29 September 1949

. Grading work at the unoccupied PASEWALK (N 54/Q 16) airfield was completed.

9 October 1949

. The former PASEWALK improvised airfield was unoccupied although the landing field was serviceable.

25X1A6a Comment:

The mentioned grading work was reported by other sources in August 1949. Among other work, a hill at the southwest corner of the field had been leveled. The field has so far not been occupied by an air unit.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 15 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
