SUBJECT: Coordination Between OSO and OPC

REFERENCE: Memorandum for the Record dated 7 July 1949, Subject: Conversation Between [redacted] on 6 July 1949. 25X1A 25X1A

1. A result of the referenced conversations has been the recognition that closer working collaboration between the two Offices needs to be realized in fact. It is therefore suggested that a procedure be established to provide a joint OSO - OPC working committee for each OPC project which will require support from OSO. It is further suggested that, after the desirability for such a committee has been determined by OPP and OOPS, [redacted] be informed. [redacted] will then advise on the personnel for committees and function as the liaison contact between OSO and OPC on matters requiring intelligence support. 25X1A 25X1A
