NATIONAL FOREIGN INTELLIGENCE BOARD

NFIB/NFIC-6.1/20
8 February 1982

MEMORANDUM FOR: NATIONAL FOREIGN INTELLIGENCE BOARD
NATIONAL FOREIGN INTELLIGENCE COUNCIL

FROM: [redacted] STAT
Deputy Executive Secretary

SUBJECT: President's Foreign Intelligence Advisory Board (PFIAB)

REFERENCE: NFIC/NFIB-6.1/19, dated 21 January 1982

1. Since its January meeting, the PFIAB has continued to shape its organization and undertake numerous activities. Certain of these activities involve PFIAB Task Force elements. At this time, Task Force assignments and memberships are still being developed; when complete, you will be so informed.

2. Three Task Forces--Analytical and Political, Economic and Natural Resources, and Counterintelligence/Human and Covert--will convene before mid-February to address several aspects of the intelligence process. These and other sessions that may follow are preparatory to the Board's next plenary session scheduled for 10-11 March 1982.

3. Requests for Intelligence Community support to Task Force sessions have been received and arranged. In this regard, it is important that points of contact be established for all Community organizations; full Community response to paragraphs 4 and 5 of the referenced memorandum remains incomplete.

4. As previously noted, PFIAB tasking of Community elements may be direct or indirect. Support to the Board will be greatly facilitated if Community points of contact keep the Executive Secretary advised in each instance of direct tasking.
