Reported Activity of Dr. Wilhelm HOEFEL and URBAN.

Inquiry made the end of April 1950

TT 1 / TT [illegible]

Wilhelm Joseph

Expert MANDL of the GEHLEN Organization, according to reliable information, informed Intelligence Agent Dr. Erich MUELLER that URBAN, a former SS Oberstrumbannführer in the SD, suspects that [illegible] is working for the Jewish Intelligence Service of Dr. [illegible] in Linz. (MUELLER turned this information over to the General Direction of Public Security). MANDL doubts the soundness of this suspicion with the ground that the Jewish Intelligence Service undoubtedly is informed of the sending of considerable amounts of Jewish valuables from Budapest to Germany through Dr. HOEFEL.

Expert MANDL told MUELLER that URBAN works for the Americans in an intelligence capacity and that he is supported by the G-2 in Linz. It is still striking that URBAN journeys so frequently to Vienna, although he must be known to the Russians, even if he uses false documents. MANDL wants to indicate that a double agent play on the part of URBAN is not to be excluded.
