P R E F A C E

This publication provides a record of the known appearances of selected Soviet public figures. Coverage includes members of the Politburo and Secretariat of the Communist Party of the Soviet Union (CPSU), deputy chairmen of the USSR Council of Ministers, and leading officials of the Ministry of Defense. Persons not regularly included in this report may be listed when they accompany Soviet leaders on visits abroad.

The publication contains: (1) a list of the individuals covered; (2) an alphabetical list of the known appearances of these individuals during the period covered, including the date, nature and location of each appearance, and the source of information; (3) a chronological list of appearances with names arranged alphabetically for given date; and (4) a set of graphs showing the date and location of the known appearances of members of the Politburo and Secretariat of the CPSU.

Appearances of Soviet Leaders is issued semi-annually and is cumulative within each calendar year.
