

Central Intelligence Agency
Scholarship Program Application

This is a financial needs scholarship: The maximum yearly household income is \$90,000 per year. Students that file independently cannot make more than \$35,000 per year.

If you do not meet the financial requirements, please consider applying for the Undergraduate Internship/Co-op or Graduate Studies Program.

Please note if you are accepted into the Scholarship Program, you will not receive the educational assistance or salary associated with the scholarship until you complete the hiring process (typically 9-12 months from date you receive the Conditional Offer of Employment)

All Applicants please complete the following:
