Security Report - 25 February - 3 March 1985 continued:

Friday 1 March 1985

1. 166 construction workers on site. 17 temporary badges were issued.

2. 50 trucks entered the construction site.

3. No one on site at 1700 hours.

4. a. FPO not on duty at Power House gate at 0650 hours.
   b. SDO called to advise that an FPO had picked up one of our temporary C badges at the Parkway Gate. #464, assigned to [redacted] Custom Environment Company had tried to enter the gate using that badge. [redacted] came to the security trailer where the ground rules for contractor personnel were explained to him, again, at some length. STAT STAT
   c. HALCO supervisor William McGregor opened a panel in the wooden visual barrier in the North Loading Dock area without advising perosnnel of the Security Trailer. NBPO Security Staff personnel remained at the site until the barrier was closed.

Saturday 2 March 1985

1. 10 construction workers on site. 4 Temporary badges issued.

2. 1 truck entered the construction site.

3. a. Robert Guest, an employee of the Prospect Roofing Company was found wandering in the vicinity of the South Loading Dock trying to find a way out of the construction site at 1100 hours. An FPO had admitted hime through the GSA gate due to a misunderstanding and had then re-secured the gate.
   b. An asphalt machine was unable to gain entrance to the construction site and returned to the company . Security trailer had received no notice that the machine was expected.

Sunday 3 March 1985

1. NBPO/OL Security personnel provided escort to six ASBESTROL Company employees engaged in removing asbestos insulation from the Power House from 1500 to 2226 hours.

2. SDO Security Escort reported that two Prospect Roofing Company employees were ordered to leave the compound following a fight on the roof of the Headquarters building. STAT [redacted]
