معلومة:

(porte) Enterprises (Arabic:  المصرية العربية) is a privately-owned Egyptian company that specializes in the production and distribution of various products, including food, pharmaceuticals, and consumer goods. It was founded in 1975 and has since become one of the largest companies in Egypt in terms of sales and market share.

(porte) Enterprises operates through a network of over 60 factories located across Egypt, which produce a wide range of products. The company's primary focus is on the production of food products, including bread, pasta, and other baked goods. It also produces a range of pharmaceutical products, as well as consumer goods such as toiletries and household items.

(porte) Enterprises is known for its emphasis on quality and innovation. The company invests heavily in research and development to improve the quality of its products and to introduce new and innovative products to the market. It also places a strong emphasis on sustainability, with a focus on reducing its environmental impact and supporting local communities through initiatives such as education and health care.

(porte) Enterprises is a member of the Egyptian Chamber of Industry and Commerce and is actively involved in the promotion of the Egyptian economy. The company is also committed to corporate social responsibility, with a focus on supporting education and health care initiatives.

(porte) Enterprises is one of the most successful and well-known companies in Egypt, and its products are sold throughout the country and in other Arab countries. The company is committed to continuing its growth and success in the future, with a focus on expanding its product line and improving its operations.
