I am sending you this letter in regard to inquire weather you would be able to send me the address of Mr. Boboszewski about whom we spoke when you were here. Also the address of Mr. IVAN KOLEFF (KOLEV).

Since you don't know Mr. Koleff I shall give you some info about him in case it is necessary to trace him. This type of information I have sent to the Canadian Embassy in Paris and also to the French Consulate in Chicago but from

neither one did I get his address. Only our correspondence remained.

Mr. Koleff is born in 1934 in Bulgaria and left the country together with Mr Boboszewski. The last info which I had in 1958 was that Mr. Boboszewski was in Vienna and Mr. Koleff had left at that time for Canada from France. Mr Koleff is tall around 5.11, has brown (dark) hair and brown eyes. When he was in France I learned that he worked in Marseilles in one of the factories of the automobile factories for "Reno".

I have inquired at the Canadian Mounted Police Headquarters but useless.

Mr. [ ]. I know

that Mr. Assen Nicoloff is in this country so eventually if Mr. Boboszewski has left Vienne for somewhere maybe Mr. Nicoloff would know since they are re-lated.

Well I hope that this letter will find you in good health and spirits (high), and I wish you good luck.

With warm regards,
Ivan.

P.S. I have not seen how you spell your name so I could only use my immaginatia so please excuse me if I have spelled it wrong.
