Letter Forwarded with HGG-A-591

Reference - HGG-A-591

1. It is requested that you specifically call to the attention of Harold S. WHITING that the letter forwarded with the reference was made available to me by the American Ambassador.

2. I have specifically avoided indications to that effect in the reference in order that that fact might be closely guarded and not be made available to persons except those who would need to have knowledge thereof.

3. I am advising as to the source of the letter and its contents in order that you may understand and appreciate the very close relations existing here.
