Operational

UJ DRACO 6

1. We propose that plans be made for two UJ DRACO groups during the next year. The first group will come from the ZIPPER Evaluation Staff and includes KLOTZ (Economic), NORDMANN (Military), HIRTH (Military) and Dr. GRUENWALD (Economic Sifter). This group should have partly the character of earlier UJ DRACO trips with greater emphasis on KUCHAP discussions at Headquarters. UTILITY would like to send either SEIDEL or SHERDAHL on a strict duty status for several days to join the group in Washington for the KUCHAP discussions.

2. The second UJ DRACO group this year should include only operational personalities and, if possible, extend to individuals like SWAGNER, the chief of the ZIPPER base in Bremen. This group would be scheduled for autumn 1955 at the earliest.

3. [redacted] is submitting the basic letter on the first group proposed and should, if possible, be the escort.

4. I wish to emphasize the unanimous opinion among the POB staff that past UJ DRACO trips have left a deep imprint on those ZIPPERiter who participated. Our continuing close relationship with individuals such as KUEHNE, WOLLMANN, GUY, MAURER and SEIDEL is, we believe, not unrelated to this program.

5. I should also like to take this opportunity to remind you of past proposals that UTILITY again visit Washington either just before or just after the establishment of UPSWING. I have from time to time mentioned this to him and we should be prepared to follow through at the appropriate time. Such a visit would, I believe, be the opportune moment for Ascham to review the contents of our Bilateral Agreement with UTILITY.
