2. Field records on the above-mentioned agents and on [redacted] have been destroyed. Re [redacted], the following notation by [redacted] was made in his folder: "Per AEGIDEON Section, Subject's correspondent in the USSR is under RIS control." We mention this notation since neither [redacted]'s file nor a perfunctory check of FOB/AEGIDEON records clarifies the matter. However, since this maildrop apparently was assigned to Headquarters, you may already be aware of the situation.
