FRIEDEL to GAMLET and GARP

Copy of Report

1. Your attention is called to what looks like some sort of triple-play on the part of subject sources. Your EGB-2390, entitled "LDP Talks with Semenov", from FRIEDEL through GAMLET, appeared here today as an exact word for word copy from the GARP outfit in Bonn.

2. The GARP report does not indicate when or from whom it was acquired; it carries source designation B 673/328.
