USE OF AGENT OR EMPLOYEE (Full details)

As a completely clandestine contact of the Hamburg Base, CANELM has proved willing and useful. He is of primary interest because of his access to LCHARVEST matters, on which he has furnished considerable information of operational value. Though revealing sensitivity to being questioned -- "agent", he has agreed to work with the C.O., whom he believes to be [redacted] possibly engaged in work of an intelligence or semi-intelligence nature. The plan is to pay him a stipulated monthly sum, which will cover his operational expenses as well as small payment for services rendered. A Field Project Outline has been requested.
