SUBJECT: The "Silesian Question"

TO : CO X-2 Germany

1. The subject reports were brought in by Dr. Wolf FRIEDEL, friend of HERRING.

2. FRIEDEL feels himself very much under obligation to us for helping him to move from his provisional home in Oberpfalz to Munich, and especially for getting for him permission to open up a law office in Munich (something that is extemely hard to do for a non-Bavarian).

3. FRIEDEL is also obligated to us for our recommendation to the MG Property Control Officer in Munich, Col. SILVEY. Col. SILVEY has later appointed Dr. FRIEDEL to be in charge of collecting records on German requisitioned of property from the Poles and from the Russians.

4. FRIEDEL is presently in Berlin, on an investigative trip for the Property Control Office.

5. NOTE: FRIEDEL, who is a decided anti-Nazi, and whose main ambition in life is to emigrate to America, or, at least have his children educated there (he has a sister and some other relatives in the USA) - should be a good and dependable contact to maintain.

As a young student he considered himself a "liberal", and, says, has not changed his outlook dther during the Nazi Regime or now. He is very critical of German politics. Other details on him are found in the vetting info furnished on HERRING.
