#### **Study Aims:**

The purpose of this study was aimed to try to participate in appearing a part from Ibn Juraij's explanation of Quran.

**Study Tool:** collect all the narrations and saying of Ibn Juraij from the beginning of surah Al-Anfal till the end of surah Al-Hajj in the explanation of Quran.

**Research Methodology:** follow and produce all Ibn Juraij's narrations and saying from the beginning of surah Al-Anfal till the end of surah Al-Hajj in Attabari and Ibn Juraij explanation of Quran.

**Study Sample:** The beginning of surah Al-Anfal till the end of surah Al-Hajj.

**Conclusions:** The result of the research:

1. That Ibn Juraij is a direct Tabieen not a follower of Tabieen.
2. That Ibn Juraij takes his science from true source and secondary sources.
3. That Ibn Juraij (Allah mercy him) has an independent personality and special pains take .
4. The explanation of Quran books is full of good and bad information mentioning a lot of the replacing and replaced AAya.

#### **Recommendations:**

The researcher recommends of the following:

- 1- Working on extracting out these explanatory jewels each in one volume.
- 2- Researching in the Tura related narrations in a scientific way to judge them from the Islamic point of view , & purifying
- 3- The Tafseer books from the fable narrations .
- 4- Researching in the reasons of elevation of holy Quran & judging them by extracting out the fable narrations .
- 5- I recommend my co'studentss to pay significant attention to the books of Arrazi & Attabari by extracting their jewels of Feqh & Quranic recitations & reasons of relevation of Quran & sciences of Quran .
