

## WHAT'S NEW QUIZ QUESTION ANSWERS

While *The World Factbook* staff works to keep the *Factbook* as current as possible, and weekly uploads are announced on the Internet via a What's New statement, there are times where there is nothing of outstanding importance to report. On those occasions, quiz questions have been composed with the aim of getting visitors to explore certain parts of the *Factbook*.

Since 2010, over 150 quiz questions have appeared; the answers to all of them may be found below.

May 23, 2019

The five countries with one-syllable names are: Chad, France, Greece, Laos, and Spain.
