Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is not needed for tourists, but US citizens must purchase a tourist card (10 USD) upon arrival, which is valid for 90 days. If a US citizen’s passport shows they were born in El Salvador then they do not need to purchase tourist card.
