Chiefs of State & Cabinet Members
OF FOREIGN GOVERNMENTS
A DIRECTORY

DI CS 2003-11
Supersedes DI CS 2003-10
November 2003
Information received as of 3 November 2003 has been used in preparation of this directory.
The Chiefs of State and Cabinet Members of Foreign Governments directory is updated weekly. The publication is intended to be used primarily as a reference aid and includes as many governments of the world as is considered practical, some of them not officially recognized by the United States. Regimes with which the United States has no diplomatic exchanges are indicated by the initials NDE.

Governments are listed in alphabetical order according to the most commonly used version of each country’s name. The spelling of the personal names in this directory follows transliteration systems generally agreed upon by US Government agencies, except in the cases in which officials have stated a preference for alternate spellings of their names.

NOTE: Although the head of the central bank is listed for each country, in most cases he or she is not a Cabinet member. Ambassadors to the United States and Permanent Representatives to the UN, New York, have also been included.

Iraq

The 25-member Governing Council (GC) was established by the Coalition Provisional Authority in mid-July 2003 to reflect Iraq's diverse ethnic, political, and religious mix. The GC comprises 13 Shia, five Sunnis, five Kurds, one Christian, and one Turkoman. The Council’s agenda includes overhauling the country’s economy, appointing interim government ministers, reforming the justice system, and laying the groundwork for drafting a post-Saddam constitution as well as holding elections, slated for mid-2004. The nine members of the Governing Council presidency alternate one-month rotations as President of the Governing Council.
