Mr. Walter Bedell Smith
Chief of Army Intelligence
Washington D.C.

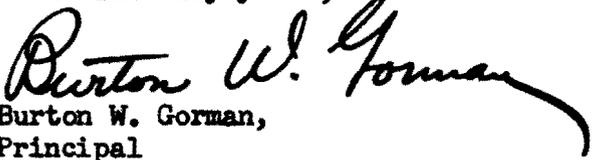

Dear Mr. Smith:

May I congratulate you on your recent elevation to the position of Chief of Army Intelligence. We at Manual are happy to have one of our Alumni serve our country in this high capacity.

You no doubt return to Indianapolis from time to time. On such occasions I hope you will always feel welcome to come and visit us here at school. We should be happy to have you talk to our students at a general assembly. I am sure that your appearance would be a great inspiration to our students.

Won't you let us know a few days or at least a few hours before you come to Indianapolis again? We shall be happy to arrange a special assembly at such a time as may fit in with your schedule of activities.

Most sincerely yours,

Burton W. Gorman,
Principal

Dear Mr. German:

Your thoughtful note of congratulations and good wishes on my new appointment to head the Central Intelligence Agency is deeply appreciated.

I am complimented by your invitation to address the student body at Manual and would consider it a privilege to do so. It is not possible to predict at this time when I will get to Indianapolis again but, before I come, I will be sure to let you know.

With kindest regards,
